Persecution of Christians (Christian Daily)

Seventy Christians were found beheaded inside a Protestant church in the North Kivu Province of the Democratic Republic of Congo (DRC), according to reports stating that the victims had been kidnapped by suspected Allied Democratic Forces (ADF) terrorists.

The attack occurred in the village of Mayba last Thursday around 4 a.m., where the armed group ordered residents to quietly evacuate their homes, which led to the abduction of at least 20 Christian men and women.

Following the kidnappings, concerned local residents convened to plan a rescue, but the ADF terror group surrounded the village and managed to capture 50 more believers. Those abducted were subsequently taken to a Protestant church in Kasanga, where they were later found beheaded, according to the ministry Open Doors.

ICC President Jeff King commented on the horrific nature of the incident, saying, "This recent massacre, where 70 Christians lost their lives, is not an isolated incident but part of a grim tapestry of violence that has claimed over 6 million lives in the DRC over two decades of on-and-off war. The vast majority of the DRC's residents are Christian, so this is a religious genocide carried out by radical Islamic terrorists (the ADF)."

Helen Blackburn, our home grown missionary, with served in DRC, particularly Goma. It is possible these murdered Christians could have been offshoots of the seeds that were planted in the '80's - 2000's.

Are you praying for the Christians around the world who do not have the same freedoms you have to worship God? Have you thanked God lately for your freedom to worship and serve without fear of life and limb? Let's start today! We need to be praying for the persecuted in the world.
