Today's Message Notes . . .

I Am the Resurrection and the Life! An Easter Challenge

The resurrection represents two things:

1. Power
2. Life

What's so important about the resurrection? I Corinthians 15:1-19

- It fulfills scripture
- If He did not raise then we will not raise, all this is a sham, our faith is vain, we are still lost in our sins and we are most pitied!

Let's look at the POWER of the Resurrection and what it should mean to us.

This kind of power is a supernatural phenomenon, an unworldly power

- God can and has worked through men to express this power but mere man CANNOT possess this power.
- The resurrection of Jesus is the standard of power in the New Testament
- It is the crowning miracle of God – no other religion has one!

The death of Jesus on the cross proves the LOVE of God.

The resurrection of Jesus from the grave proves the POWER of God!

What's it mean to us?

Ephesians 1:15-20

The same exceeding great power that raised Jesus from the dead God has towards us that believe!

- We can and should KNOW this power as His followers.
- If we do not, we are missing out!
- Philippians 3:7-11
- It should be our life goal to KNOW this power

Regional – *'Kurios' CBWC's purpose through Kurios is to grow young Christian disciples and leaders. "Hey! My name is **Kiarash**, and I am 18 years old. I enjoy photography, videography and occasionally like to play the drums. Because of my dad's job when I was younger, my family had the opportunity to frequently travel abroad. This allowed my family to be introduced to Christianity—in our home country, Iran, the freedom to practice any religion was and is still forbidden...we were able to get into Canada in 2014...sponsored by Pastor Arash Azad (of) Emmanuel Iranian Church Vancouver...(who) first introduced me to **Kurios**, who thought it would be a great opportunity for me to gain that solid foundation on what it means to be Christian. It was also at a point in my life when I simply had no idea what I wanted to do..." see the rest of **Kiarash's story** at **kurios.ca**.*

Global - In **Cuba** and the **Dominican Republic** many communities have an increase in people coming to church. CBM's partner friends report that *youth in particular are coming to the churches with a desire to be in a community to learn and serve. **Pray** that the churches will be places where people - especially youth - are changed because of the hope and peace (found) in Jesus*
