Today’s Message Notes . . .

Behold Your God Exodus 33 Part 2 Positioning ourselves to receive

**** The ultimate need that each one of us have is to experience the manifest presence of God****

Moses never lost focus of what was most important:

1. God was with him and **GOD’s reputation was most important**
2. He could know Him

Observations

Observation #1 - I want to know you

- Phil 3:7-10

Observation #2 - You are not enough

- Jeremiah 9:23, 24

Observation #3 - Whatever you had before is not enough

Observation #4 - God determines the conditions and position of His revelation

- The amount of revelation
- Stand on the rock near Me
- You make the stones like before, be ready early, no one is to come near

**** How many times do we march into God’s presence and tell Him how He should work or how we want Him to do things for us?? ****

James 4:1-6

Observation #5 – We need to position ourselves to experience God’s glory consistently

1. Heart for God
2. Obedience to God

Other Stuff	Sinful
OK	addictions
relationships	self centered
work	sex

Hello From Helen Blackburn (May 9th) – serving in Tarija, Bolivia

Dear Friends and Family, Thank you one and all for reading about us and praying for us. My prayers are with you all and my thoughts are on what's ahead as Lord willing I'll soon be with you in Canada. My flight out of Santa Cruz is set for June 2.

Will get a test for Covid before leaving Tarija and then another test in Houston Airport. Lord willing I'll be able to leave Calgary for Pincher Creek the same day as my arrival, June 3rd.

Please pray for me as the 3rd wave of Covid has come to Bolivia. I have cancelled my last two English classes because of that...

then packing... and return to Canada for my required 6 months for Alberta Health Care. It will be good to get back to Pincher for a bit of a rest!

God bless you richly and I'm trusting Him that we will be able to get together sooner than later. Helen
