Today's Notes . . .

The Four Distinctives of the Church

Acts 2:40-47

1. A studying/teaching church – church of the Word of God
2. A fellowshiping Church

I. Changing definitions

- A. Word meanings can change over time
- B. Our typical definition of fellowship centers around “gathering”
- C. NT definition for fellowship: **Partnership** – *koinonia* - having common, all sharing in
 1. Worldly partnership – you scratch my back, I’ll scratch yours
 2. Christ centered partnership – spirit of generous giving instead of a spirit of selfish getting!
 - Acts 2:44-45 – All things common

Generosity vs Unity - They held on to one another so tightly they did not need to hold on to THEIR STUFF!

- Acts 4:32-37 – One heart, one soul

II. Definition defines function – we share because we belong to one another

John Piper: *the mutual bond that Christians have with Christ (the gospel) that unites us in a profound and eternal relationship of love that should express itself in joyful and affectionate service to (one another) for each other's good.*

1. They shared themselves with Christ.
2. They shared in the provision of Christ by the Holy Spirit.
3. They shared themselves (and their possessions) with each other
4. They shared the provision of Christ with others.

III. How do we achieve this biblical fellowship?

- A. It begins in relationship with Christ I Cor 1:9
- B. That relationship translated to other believers I John 1:3

Challenge: Exhort daily Hebrews 3:12-15

1. The hard realities
 - Sin, deceitful, hardness of heart, evil heart of unbelief, departing
2. Exhort
 - Daily – we are being lied to every day - _____ is better than Jesus
 - Encourage “yourselves” – Jesus is better!
3. Dead people do this!! Unity vs generosity!
