to help you achieve God's purpose and understand His plan for your life. We invite you to participate in our small groups, missions, and outreach opportunities

Missions Highlite for this Month:

The Canadian Foodgrains Bank partners with Canadian Baptist Missions to provide *food security* where people struggle to feed their families and themselves.

In Canada do we think about food security? As you head to the local Co-op, Walmart or Costco to buy your groceries, even in lockdown, are you confident you can put food on the table?

In many 'third world' countries the people including pastors work 'hand to mouth', earning each day only enough money to put food on the table for that day. Because of the year-long Covid 19 lockdown around the world, that security of providing daily food for family members is not reliable.

No tourists – no income. No transportation – no income. Curfews – no income. Death of the breadwinner due to Covid – no income. *No daily income, no food.*

Every \$\$ you can give to ***Breaking Cycles of Hunger*** now to the end of April will be matched by a generous donor of CBM. Donate online - **cbmin.org/matchinggrant** or by cheque (**designated funds to CBM Breaking Cycles of Hunger c/o CCC**)

'Jesus called his disciples to him and said, "I have compassion for these people; they have already been with me three days and have nothing to eat. I do not want to send them away hungry, or they may collapse on the way...How many loaves do you have?" ' Matthew 15: 32-34

**Who lacks food security in our communities? What can we do as a church family to help them? Call/text Joy, Sherry or Pastor Donny with your ideas*
