The kind of Church We Need to Be – Values

Acts 4

Erosion – USDA Conservation Reserve Program

- Erosion is a slow process and it is not necessarily always visible.
- Erosion in the church can center and will center around our spiritual values.

**** If the church takes its cues from the world, then the church (WE) will lose our way too! ****

If the church is doing what it is called to do and be, it will be an attractive and contagious organism to the those in whom God is working!

Here are 3 statements I heard from Chuck Swindol that will help us retain our values

1. Clear biblical thinking must override secular planning and the corporate mentality **THINK SPIRITUAL**
2. Studied accurate decisions must originate from Gods Word and not from human opinion. **STAY BIBLICAL**
3. Wise essential changes must occur to counteract any signs of erosion
BE FLEXIBLE

CONTAGIOUS! Faith Contagious church!

You will notice they did not have a method, or a plan or clincher – they just lived life in front of everyone! **The secret was Acts 4:13 – They had been with Jesus!**

- **REMEMBER CHURCH: Jesus** is the Head Honcho; He never sleeps or slumbers; He never says sir to anyone!; He is the Master, Creator God, Savior; We exalt Him, Worship Him, Serve Him
- **WHEN WE OPERATE UNDER HIS AUTHORITY WE HAVE NO NEED TO BE FEARFUL**
