## Today's Notes . . .

February 18th, 2024

Dying to Live – FREE! Part 7      John 8:31-36; Romans 5:12-21; Romans 6

### I. Review:

1. To experience ALL of God we need to change our thinking      Matt 16
2. The Sovereign God that has placed a high value on you      Matt 10
3. it will cost you to be a chosen disciple      Matt 10
4. We must choose to put Jesus in His place of prominence      John 3:22-30
5. To be distinguished like the early church we must live dead      Acts 2

### II. The Pragmatic Believer

- Making a cake
  - o Give me a list, quick fix
- What happens when suffering comes and the list doesn't work?
  - o No depth - -mile wide and an inch deep!
- We need deep roots      James 1:21

### III. Back to the Basics

#### Our UNION with Adam

- All under sin      Galatians 3:22
- Slaves of Sin      John 8:31-34
- Romans 6:6      Slaves to sin
  - o 6:14      Sin has dominion over us
  - o 6:16      Slaves of sin
  - o 6:17      were slaves of sin
  - o 6:19      slaves of uncleanness and lawlessness
  - o 6:20, 21      SLAVES DO WHAT THEY ARE TOLD
- The ultimate end of this slavery is DEATH

## **Missions Sunday February 18 2024**

from the Lausanne Conference (Evangelism) 2023 as reported in 'Faith Today' 01/02 2024 P.30, missions webpages, and news reports

1. The majority of Christians now live in:
  - a. Africa
2. Our greatest mission field is:
  - a. Overseas
  - b. our own backyard
3. Today, missionaries can go out into the neighbourhood or across the globe by social media.
4. One of the greatest potentials for mission work, largely unused by our Christian churches, is: 'Gen Z'ers who are media literate and can spend up to six hours per day online'.

**"(Gen Z'ers) are less interested** in "beliefs" than in a faith that works...(they) see spiritual growth as a top priority. In general, they reject hollow words and hypocrisy and want values embodied in action. They **prioritize** behavior over words as a strategy for sharing faith."

Research...shows that Gen Z sees spiritual growth as a top priority. In general, they reject hollow words and hypocrisy and want values embodied in action.

They **prioritize** behavior over words as a strategy for sharing faith...This is little surprise for a generation that elevates authenticity as a core value."
