**Project**, also known as **Rice for the Least of These**. On a recent trip to the grocery store, you probably noticed that food costs are rising, and some of your favorite products have been hard to find.

*The same thing is happening in Asia*, but on a much worse level, as countries were already struggling with poverty and food shortages.

A massive 40 kilo (almost 90 pounds) bag of rice costs about \$50. Our goal is to raise enough funds this year for 1000 bags of rice.

*Will you prayerfully consider helping us reach our goal of 1000 bags?*

**Joe Bridi, CBMinistries' Ministry Development Coordinator in the Middle**

**East**, praises God for the new opportunities given the church in Lebanon to reach out in their communities with the Gospel. Also for the work of the Holy Spirit all through the region, with "thousands from different religious backgrounds - come(ing) to Christ". *Pray for peaceful elections today in Lebanon*
