Today's Message Notes . . .

I. **A high view of God leads to the lack of worry** Phil 4:6,7

A. Principle of Prayer in Phil 4:6,7

1. Do not worry
 2. Be thankful
 3. And the peace of God will guard your heart and mind
- When we have this high view of God it means that we
 1. We enter into a request without worry or anxiety
 2. make our prayers and supplications to God – the expression of what we desire in our limited fleshly finite capacity.
 3. Then we thank Him for what He can do, may do and will do
 4. It is here that we settle into a TRUST of God – with that TRUST comes a incomprehensible PEACE guarding of our hearts and minds
 - This kind of praying is what we call prayers of FAITH
 - Faith is a confidence in God that whatever our future is – good or bad or indifferent – is what He knows is best for us
 - Romans 8:28; II Corinthians 4:16-18; Romans 5:3,4

B. DO not worry

- Hebrews 11:6 Romans 14:23
- Worry hinders prayer. It is a SIN!
- **We are to worry about nothing because we can pray about everything.**
- When we worry, we fear that God is not wise enough, strong enough, or good enough to prevent disaster.
- When we have a LOW view of God
 1. When we worry – starting point comes from a place of no trust or mistrust
 2. Here we cannot be thankful. We are never sure that God has my good in mind
 3. There is no place for PEACE when worry and anxiety rule our hearts and minds.
- Romans 14:22,23 - At the root of sin is a lack of TRUST in God and His righteous intent for our lives.

**** If we believe this, then with it comes an unbelievable PEACE in life.****

C. Give thanks in ALL things

- The best way to combat worry is to be thankful
- In EVERYTHING give thanks! - Your good times and Your bad times
- o **“There is nothing too great for God’s power; and nothing too small for his fatherly care.”**

If you want God to do something in your life, your kids, your community – Well it starts with you!

National – Pray for our country and its leadership

Global – Helen Blackburn, mission staff in Bolivia and supported by CCC, has asked supporters to consider a special need – new steel roofing for buildings at the Boy's School. If you can help, speak to George Reynolds.

Ongoing for Helen and her co-workers is a replacement for her, on site in Bolivia. Please pray that God's call to fill this need will be met soon
