Creekside Community Church *is here* to help you live out God's purpose for the gifts He has given you.

We invite to you to participate in:

- our worship - small groups - missions - outreach

As you prepare your home and family to celebrate Christmas – the coming to earth of our Saviour, Jesus Christ – consider these opportunities to share and spread hope to others:

Local –

"86% of those seeking assisted suicide said that the leading reason...was lack of meaningful relationships." (the Federal Government has put on hold temporarily as of this past week the planned inclusion of those mentally ill into the current MAID law.)

"We are the ones who are responsible for engaging in conversations about what our public morality could be like. We need to be part of the conversation…"

"*We need to learn to manifest and practice what it means to be the Body of Christ, and what it means to love and care for our neighbours*. If the animating cause of so many people seeking assisted suicide is the lack of meaningful relationships, we need to be in their lives and caring for them." Bruce Clemenger Evangelical Fellowship of Canada FT Nov/Dec 2022 P. 32
