## **Today's Notes . . . September 29th 2024**

**Pastor Donny** Positioning ourselves to receive Exd 33,34

**The ultimate need that each one of us have is to experience the manifest presence of God**

Moses never lost focus of what was most important:

1. **GOD's reputation was most important**
2. God was with him God
3. He could know Him

**Observation #1 - You are not enough 33:12-16**

- Jeremiah 9:23, 24 –

**Observation #2 - I want to know you more 33:17,18**

- There is always more of God to know – you have never arrived Phil 3:10

**Observation #3 - Whatever you had before is not enough 33:18**

- Moses refused to live in past experiences with God - a fresh encounter!
- Phil 3:7-15 - Forgetting both the good and the bad

**\*\*\* What you were is not a hindrance to what God wants you to be IF WE WALK BY FAITH! \*\*\*** But being stuck in what you were before can be a hindrance!

**Observation #4 - God determines the conditions of His revelation 33:19-34:4**

- Our genuine response to God must be one of humility, obedience and a desire to put him above all other things.

**Observation #5 – We need to position ourselves to experience God's glory consistently 34:4**

1. Heart for God
2. Obedience to God

**Observation #6 – Moses' experience of God's glory resulted in a posture of Worship 34:8**

- Our relating to God in obedience, His relating to us in His way will bring us to a place of more God centered worship – prayer, lifestyle, witness, etc

**Observation # 7 - Moses' experience with the revelation of God resulted in a obvious visible change in his countenance. 34:29-35**

**Pre-requisites of Knowing**

1. Must know sin
2. Must have faith
3. Must have the Spirit
