**Update:** The *Ukrainian Baptist Union Coordination Centre* continues to distribute aid across Ukraine. Churches inside Ukraine are delivering food, medicine and other necessities to those in need.

In Donetsk and Luhansk regions ..local churches continue to provide aid and help to evacuate those wishing to leave... visiting basements and bomb shelters. Immediately after the conflict broke out in Ukraine, 50% of churches in the Polish Baptist Union cancelled all their meetings and opened their doors as shelters for Ukrainian refugees...providing hot drinks and meals, personal hygiene supplies and beds to approximately 1,600 people per day... *Canadian Baptist Ministries thanks those who have sent in money to help provide resources through Baptist World Alliance.
