Prayer and Praise: Please pray for:

Message Notes:

Behold Your God! Isaiah 40:1-31

A great philosopher named Alexander Pope once wrote, “Know then thyself, presume not God to scan; the proper study of mankind is man.” In one sermon, Spurgeon replied to that famous statement: “It has been said by someone that ‘the proper study of mankind is man.’ I will not oppose the idea, but I believe it is equally true that the proper study of God’s elect is God; the proper study of a Christian is the Godhead. The highest science, the loftiest speculation, the mightiest philosophy which can ever engage the attention of a child of God, is the name, the nature, the person, the work, the doings, and the existence of the great God whom he calls his Father.”
