“To know Christ, and to make Him known locally and globally”

Today's Notes . . . June 16th, 2024 – Pastor Donny

Motivation is an internal state that propels individuals to engage in goal-directed behavior.

- Intrinsic motivation or Extrinsic motivation

Jesus begins this section of his sermon on the mount by warning the disciples about the motivation behind the righteous acts of his followers. What is your motive for doing the things you do?

Motivation is the Glory of God 6:1

- Don't do this to be seen by others - This is not a contradiction 5:16
- 1 Corinthians 4:5 - Motives will be revealed! And God will praise the correct motives – all else will be stubble

Warning 6:1

The first verse starts with a warning – TAKE HEED – or BEWARE

- Why start with this warning?
 - o Jeremiah 17:9; Eccl 9:3

He gives the warning in three major practices of the Jews at the time 6:1-18

1. Giving

- Give with the right motive - we do secretly God will reward openly

2. Prayer

- Where to pray
- How to Pray
 - o Not with babbling
 - o Pray like this
 - o Discipline, Spontaneity and freedom - self righteousness or worship?
- Prayerlessness
 - o Pride – I got this
 - o Lack of faith – The Prayer Train
 - Prayer is the train; Faith is the engine; God's promises are the fuel source; Discipline is the tracks/rails

** Prayerlessness is almost always due to a STALLED ENGINE **

- Rails are useless if there is not POWER
- The heart of Prayer
 - a. Forgiveness

3. Fasting

Focus: Mission Trip to Thailand Compassionate Hope

Nov 23rd – Dec 8th 2024

Compassionate Hope –

Plans are underway for a team from CCC to serve this short term mission helping with CH's Homes of Hope for children rescued from abuse, actual and potential sexual exploitation. If you are interested in this trip, **contact Pastor Donny**. Also, be informed – follow Compassionate Hope at info@compassionatehope.org on Facebook, get on the e-mailing list, check out YouTube for recent videos

“Compassionate Hope is a Christ-centered, global charitable organization focused on providing hope and a future to victims and potential victims of human trafficking and religious persecution in Southeast Asia.*

Our 55+ Homes of Hope in Southeast Asia welcome these children into a loving, family environment where their physical, spiritual, emotional, educational, and vocational needs are met.”

CH is one of very few facilities in the Philippines that can accommodate rescued sibling groups.

Al Henson, CH Foundation sends thanks this week to all who have donated funds to build an elementary school at Daronpon Thailand Home of Hope - now completed.

Canadian Baptist Ministries (CBM) Crisis Response Funds (CBMin.org) have been depleted for 2024 and it's only June. CBM needs your support to continue providing immediate relief to those affected by such tragic events as:

- Ukraine – helping our partnerships with local churches to provide critical support to those affected by displacement due to the war, and no access to basic necessities
- DR Congo – helping partners on the ground with overwhelming needs due to thousands displaced by armed violence
- Kenya – helping church partners provide physical and psychological support due to loss of lives and homes from flash floods

CBM is celebrating 150 years of global mission efforts this year. Go to **CABA150.org**. At <https://vimeo.com/929930350> see a recent video which announces exciting milestones of CBM's 150th anniversary
