LEARN HOW WE ARE HELPING

Here are a few actions CBM and OBADES take to help women in Bolivia rebuild their lives and provide for their families through the 'Eagles Wings Project' - <https://www.cbmin.org/alas-de-aguila-eagles-wings-mothers-school/>

1 Sewing classes - Women are provided with resources and training to learn the trade of sewing.

2 Spiritual counselling - Women are empowered and valued while they receive spiritual counselling from staff and take part in devotionals.

3 Entrepreneurial and life skills workshops - women learn essential skills on earning an income and receive assistance in gaining contracts to sell their products. The earnings get distributed equally.

You can support this project financially and through prayer
