- **Our fellow believers** in Ukraine and in the Democratic Republic of Congo (see back page), for an end to war in their lands

Today's Message Notes . . .

Pray Fight Build Pt 3

Nehemiah 4:13-23

As we stay involved in this ever-present battle, we must be clothed with two things to ensure victory:

I. **Clothed in the Righteousness of Christ**

- Isa 61:10; Rom 3:21, 22; Gal 3:26, 27

II. **Clothed in the Armor of God - Eph 6:10-20**

- Satan is REAL! - This means his influence in the world, in people, systems and governments are real
 - This means his battle with you and for you is real!
- The Spirit of the Antichrist is here and now I John 4:1-4
 - Antichrist – against
 - Antichrist – in place of
 -
 -
 -
 -

III. **Be Strong in the LORD and the POWER of His MIGHT**

1. Power
2. Might

IV. **Put on the WHOLE armor of God**

V. **Know your enemy (the ranking)**

1. Principalities and powers
2. Rulers of Darkness
3. Wickedness in high places

Creekside Community Church *is here* to help you live out God's purpose through the gifts He has given you. "God leads, we follow... Our goal is to discover where God is already working, ... already there. We are simply to join the activity He has initiated... in the borderlands outside the Church." *CBM Mosaic

Globally

"Hello friends, I am **Polisi Kivava Baudouin**...based in Goma, in the Democratic Republic of Congo, where I serve as National Field Staff. I oversee relief and development work among CBM's partners in Africa.

The East of the *Democratic Republic of Congo* has been torn by war and violence *for the last 30 yrs*. The situation worsened last year when one of the armed groups, the M23 started invading some villages. Despite initiatives of ceasefire, the rebels keep occupying new territories. *The number of people being killed daily in villages keeps increasing, creating fear and insecurity in rural areas*. When people cannot reach their fields due to their own safety, the risk of hunger also increases. People fearing for their lives must flee their villages to move to IDP camps, where they are exposed to hunger and diseases..." Please pray with Polisi and the DRC churches for peace & strength
