Today's Message Notes . . .

Holiness in a Pill?

I Peter 1:13-25

We have been Chosen by God to be holy - **POSITION**

We have been called by God in holiness - **ENVIRONMENT**

We have been commanded by God to be holy in all we do - **COMMAND**

So what's the problem? Why is it so hard to live this out?

The Lie of the Magic Pill

- The LIE
 - Take this pill and watch the fat roll off your body!
 - Come to Jesus and all your problems/struggles will disappear

- The TRUTH
 - To see the effects we **MUST** do our part – proper diet/exercise
 - I Peter 1:15,16 is a command and a command requires some work on our part to accomplish!

The Work of Holiness

- Philippians 2:12,13 – **WORK OUT** your salvation
- Phil 3: words of work
 - “continuous sustained effort”
 - Does, produces, brings about, preparing, effects, cause to happen
 - This is not speaking to the unbeliever but to those who have already been justified

God causes the miracle of salvation but we act the miracle!

The Christian life is not PASSIVE it is ACTIVE!

Have you become lazy in your salvation?

Have you quit working it out?

Missions Highlights:

***From Tim & Kallie Hutton, our Partners in Mission in Bolivia through Canadian Baptist Ministries:** "We are doing well and keeping busy. Our projects are in a constant state of readiness to adapt to lifting of restrictions or implementation of new ones. Some schools have started to go back to in-person part time, others stay virtual, so our *vulnerable children's projects* are doing an excellent job and meeting the changing needs and ensuring the kids and their families get support.

We are about to start new bee hives in rural communities and are blessed to have been able to get out of the city to work with our *chagas prevention project* and this new economic initiative.

****There is a sense of weariness though. These past years have been trying for both us and our partners. We have lost friends and colleagues to covid. While we have gotten over the third wave, there is resistance to and lack of access to vaccines. Thank you for keeping us and our people in your prayers.*

Despite all of this, these months have brought us sweet and reviving times with the Lord. We have seen His hand of protection and have witnessed His goodness and faithfulness in new ways. We are blessed to be where He has planted us."

Kallie (from correspondence with Lori Anderson)

Next week: Bill and Janice Dyck's latest

- Helen Blackburn asks us to continue praying for a **mission-minded couple to hear God's call to help with the EFC Bolivian ministry to boys in San Andres**
- Go to <https://cbwc.ca/category/making-connections/> to read about **Donna Forster (age 85)**, Gateway Baptist Church Victoria BC, who has literally put herself in harm's way many times to care for and protect women who struggle with addictions and life on the street. She has written a book "Anne – where did the sunshine go" about one of the young moms she worked with - CBWC Executive Minister Rob Ogilvie
