# Today's Message Notes . . .

## Review:

### 1. The Beauty and Danger of being GracFULL

- Unmerited and undeserved favor
- Taking advantage

### 2. How to avoid being repentLESS and the abuse of grace

- Repentance defined: change of mind and direction
- The stark reality of our humanity:
- If this is the case, the intimacy of relationship can be affected if there is no repentence
- Repentance for believers in scripture

**Josh squires says:** We are prone to wander because:

1. We are lovers of self
2. We love comfort and hate failing
3. We think too little of sin

### 1. Wrong attitudes towards sin

- We have become “used” to the sin around us
- We place ourselves in situations that promote wrong attitudes
- We have become accepting of the sin in us
- We are not bothered by our own sin and yet we try to hide it from view
- David’s Example
- Wrong place wrong time
- Drawn to what should repel
- Sought to go deeper in his sin
- Not once so we see him seek to reverse the trend or repent
- The problem sometimes with our attitude towards GRACE is that we tend to forget there are still consequences to sin
- David’s son died
- Cheat on your wife/husband loose trust or even your family

### 2. Right Attitudes towards sin

- Psalm 119:104 –Therefore I hate every false way!
- Hebrews 12:1,2
  - Lay aside weights and sin
  - Look to Jesus!

**Project**, also known as **Rice for the Least of These**. On a recent trip to the grocery store, you probably noticed that food costs are rising, and some of your favorite products have been hard to find.

*The same thing is happening in Asia*, but on a much worse level, as countries were already struggling with poverty and food shortages.

A massive 40 kilo (almost 90 pounds) bag of rice costs about \$50. Our goal is to raise enough funds this year for 1000 bags of rice.

*Will you prayerfully consider helping us reach our goal of 1000 bags?*

**Joe Bridi, CBMinistries' Ministry Development Coordinator in the Middle East**, praises God for the new opportunities given the church in Lebanon to reach out in their communities with the Gospel. Also for the work of the Holy Spirit all through the region, with "thousands from different religious backgrounds come(ing) to Christ". *Pray for peaceful elections today in Lebanon*
