**What do we want God to do that only God can do?**

*"To know Christ, and to make Him known locally and globally"*

**Creekside Community Church** is here to help you live out God's purpose through the gifts He has given you. "God leads, we follow... Our goal is to discover where God is already working, ...already there. We are simply to join the activity He has initiated... in the borderlands outside the Church." \*

## ***Locally***

Where can you be in our church and in the community in 2023?

*"The foreigner residing among you must be treated as your native-born...Love him (them) as one of your own."* Lev 19:34 Note: Pincher Creek has a large population of Filipino people – some have been here over 24 years. Do you know any personally? Also, the Chinese families who own the local restaurants are isolated by the hours they work. Your children may be their children's friends at school. How can you engage with these families to share God's love with them?
