Missions Highlites for this Month:

CCChurch through Canadian Baptist Ministries partners with churches in India. Suraj Komaravalli, CBM Field Staff, India asks us to pray today! for the people of India as the country is devastated by Covid 19 - 445,000 yesterday alone testing positive for the virus, 3400+ are dying each day. Suraj says that

- vaccine supply is inadequate
- lack of oxygen cylinders
- long queues for Covid tests
- no hospital beds
- lifesaving drugs and ambulances controlled by black market
- only 20 people can attend a funeral, but 3.5 million were allowed recently at religious festivals

Suraj asks us to pray to God for a miracle of healing, that "one day we could see light". Also that India would see global support and understanding so that people do not feel alone. And that "Christians would press on in greater faith and hope, that God is with them and will bring them through this pandemic". For more, go to Facebook/CBM
